Coastal Waters Forecast for South Australia Lower West Coast: Elliston to Cape Carnot

Issued at 3:40 am CST on Tuesday 25 August 2026
for the period until midnight CST Thursday 27 August 2026.

Please be aware

Wind and wave forecasts are averages. Wind gusts can be 40 per cent stronger than the forecast, and stronger still in squalls and thunderstorms. Maximum waves can be twice the forecast height.

Warning Information

For latest warnings go to www.bom.gov.au, subscribe to RSS feeds, call 1300 659 210* or listen for warnings on relevant TV and radio broadcasts.

Weather Situation

A low pressure system and associated trough continue moving over southern SA today and will move into the eastern states this evening. A high pressure system will move in from the west to be over SA on Wednesday. Another trough approaches the southwest during Thursday evening, and may linger about the western parts of SA before another high moves across the south over the weekend.

Forecast for Tuesday 25 August until midnight

Winds: Southerly 15 to 25 knots tending south to southwesterly 10 to 15 knots in the middle of the day then decreasing to below 10 knots in the evening. Seas: 1.5 to 2 metres, decreasing to 1 to 1.5 metres around midday, then decreasing below 1 metre by early evening. Swell: Southwesterly 2 to 3 metres. Weather: Partly cloudy. 50% chance of showers early this morning.

Forecast for Wednesday 26 August

Winds: Variable below 10 knots becoming northerly 10 to 15 knots in the morning then becoming variable about 10 knots in the late afternoon. Seas: Below 1 metre. Swell: Southwesterly 2 to 2.5 metres. Weather: Partly cloudy.

Forecast for Thursday 27 August

Winds: North to northeasterly 15 to 20 knots. Seas: Below 1 metre, increasing to 1 to 1.5 metres during the morning. Swell: Southwesterly 2 to 3 metres. Weather: Sunny.

The next routine forecast will be issued at 9:30 am CST Tuesday.

* Calls to 1300 numbers cost around 27.5c incl. GST, higher from mobiles or public phones. Marine forecasts are also available on VHF and HF radio. View the radio schedule on www.bom.gov.au/marine
