Warning to Sheep Graziers for the Upper South East and Lower South East forecast districts

Issued at 4:17 am CST on Thursday 1 October 2026.

Sheep graziers are warned that cold temperatures, rain and showers and southerly winds are expected during Friday. Areas likely to be affected include the Lower South East forecast district and parts of the Upper South East forecast district. There is a risk of losses of lambs and sheep exposed to these conditions.

The next warning will be issued by 11:00 am CST Thursday.
