Warning to Sheep Graziers for the Mount Lofty Ranges, West Coast, Yorke Peninsula, Flinders, Mid North, North West Pastoral and North East Pastoral forecast districts

Issued at 4:45 am CST on Monday 10 August 2026.

Sheep graziers are warned that cold temperatures, showers and southwesterly winds are expected during Monday morning. Areas likely to be affected include the Flinders, Mid North and North East Pastoral forecast districts and parts of the Mount Lofty Ranges, West Coast, Yorke Peninsula and North West Pastoral forecast districts. There is a risk of losses of lambs and sheep exposed to these conditions.

The Warning to Sheep Graziers for the Riverland, Murraylands and Upper South East forecast districts has been cancelled.

The next warning will be issued by 11:00 am CST Monday.
