Warning to Sheep Graziers for the Flinders forecast district

Issued at 4:31 pm CDT on Tuesday 13 October 2026.

Sheep graziers are warned that cold temperatures and southeasterly winds are expected during Wednesday. Areas likely to be affected include parts of the Flinders forecast district. There is a risk of losses of lambs and sheep exposed to these conditions.

The Warning to Sheep Graziers for the Mid North forecast district has been cancelled.

The next warning will be issued by 11:00 pm CDT Tuesday.
