North West Pastoral District Forecast

Issued at 9:22 pm CDT on Friday 6 November 2026
for the period until midnight CDT Tuesday 10 November 2026.

Warning Information

For latest warnings go to www.bom.gov.au, subscribe to RSS feeds, call 1300 659 210* or listen for warnings on relevant TV and radio broadcasts.

Weather Situation

As a cold front clips the southeast Friday, while a high pressure system moves centred well south of Perth extends a ridge over northern and western SA. The high drifts over waters well to the south of SA over the weekend, while a developing low pressure system and trough in WA move close to the SA border. The high drifts southeast of Tasmania by Monday as the low moves across western SA on Monday and northern SA on Tuesday.

Forecast for the rest of Friday 6 November

Mostly clear. Winds south to southeasterly 25 to 35 km/h.

Forecast for Saturday 7 November

Partly cloudy. Medium chance of showers in the far west, near zero chance elsewhere. The chance of a thunderstorm west of Coober Pedy. Thunderstorms possibly severe with damaging winds north of Marla in the afternoon and evening. Winds south to southeasterly 20 to 30 km/h tending east to southeasterly 25 to 40 km/h during the morning. Overnight temperatures falling to between 13 and 20 with daytime temperatures reaching 28 to 38.
