

TOP PRIORITY FOR IMMEDIATE BROADCAST

Severe Weather Warning for DAMAGING WINDS

For people in parts of Mount Lofty Ranges, Flinders, Mid North, Murraylands and North East Pastoral districts.

Issued at 4:39 pm Tuesday, 2 June 2026.

Damaging wind gusts continuing for the Mount Lofty and Flinders Ranges this evening.

Weather Situation: Damaging westerly wind gusts are forecast to continue for the Mt Lofty and Flinders ranges this evening, as a deep low near Tasmania continues to create a pressure squeeze.

For the MOUNT LOFTY and FLINDERS RANGES: DAMAGING WESTERLY WIND GUSTS with peak gusts of around 90 km/h are likely to continue, easing later this evening.

A separate warning for ABNORMALLY HIGH TIDES is also current for parts of the coast. For more details, refer to <https://www.bom.gov.au/weather-and-climate/warnings-and-alerts>

Locations which may be affected include Burra, Arkaroola and Peterborough.

The State Emergency Service advises that people should:

- * Move vehicles under cover or away from trees;
- * Secure or put away loose items around your property.
- * Stay indoors, away from windows, while conditions are severe.

The next Severe Weather Warning will be issued by 11:00 pm ACST Tuesday.

Check <https://www.bom.gov.au/weather-and-climate/warnings-and-alerts>. Warnings are also available through TV and Radio broadcasts or call 1300 659 210. The Bureau and State Emergency Service would appreciate warnings being broadcast regularly.
