Coastal Waters Forecast for South Australia Upper West Coast: Fowlers Bay to Elliston

Issued at 3:40 am CST on Saturday 12 September 2026
for the period until midnight CST Monday 14 September 2026.

Please be aware

Wind and wave forecasts are averages. Wind gusts can be 40 per cent stronger than the forecast, and stronger still in squalls and thunderstorms. Maximum waves can be twice the forecast height.

Warning Information

For latest warnings go to www.bom.gov.au, subscribe to RSS feeds, call 1300 659 210* or listen for warnings on relevant TV and radio broadcasts.

Weather Situation

A trough will approach from the west late on Saturday, move across SA on Sunday with a ridge then extending into the state from a high located southwest of WA. An upper level disturbance will move over the far west on Monday, and a cold front will slip across southern coasts later in the day and early Tuesday. The high will then move across waters to the south throughout the week.

Forecast for Saturday 12 September until midnight

Winds: Northeasterly 10 to 15 knots turning northerly in the morning. Seas: Below 1 metre. Swell: Southwesterly 2 to 2.5 metres. Weather: Mostly sunny day. The chance of a thunderstorm later tonight.

Forecast for Sunday 13 September

Winds: North to northwesterly 15 to 20 knots shifting southwesterly 10 to 15 knots during the morning and early afternoon. Seas: 1 to 1.5 metres, decreasing to 1 metre during the morning. Swell: Southwesterly 1.5 to 2 metres. Weather: Partly cloudy. 60% chance of showers in the early morning. The chance of a thunderstorm in the early morning.

Forecast for Monday 14 September

Winds: West to southwesterly about 10 knots tending south to southwesterly 10 to 15 knots during the afternoon. Seas: Below 1 metre. Swell: Southwesterly 2 metres. Weather: Sunny.

The next routine forecast will be issued at 9:30 am CST Saturday.

* Calls to 1300 numbers cost around 27.5c incl. GST, higher from mobiles or public phones. Marine forecasts are also available on VHF and HF radio. View the radio schedule on www.bom.gov.au/marine
