Weather Situation

A high pressure system in the Tasman Sea maintains a ridge over SA. A cold front near the western border will move across South Australia overnight and into the far northeast on Saturday. A weak high pressure system will immediately follow the cold front and drift eastwards to be over Victoria on Sunday. The high will move over the Tasman Sea on Monday with a northerly flow increasing over SA ahead of a low pressure system that is expected south of the SA coast next week.

Forecast for the rest of Friday 12 June
