# Mount Lofty Ranges District Forecast

Issued at 9:47 pm CDT on Saturday 31 October 2026
for the period until midnight CDT Wednesday 4 November 2026.

## Warning Information

For latest warnings go to www.bom.gov.au, subscribe to RSS feeds, call 1300 659 210* or listen for warnings on relevant TV and radio broadcasts.

## Weather Situation

A high pressure system over central districts moves eastwards in Victoria overnight. A low pressure system is expected to enter from the west on Sunday, moving over central and eastern districts on Monday, followed by another ridge of high pressure which will persist until Tuesday. On Wednesday a cold front moves over the south of the state.

## Forecast for the rest of Saturday 31 October

Mostly clear. Winds westerly 15 to 20 km/h.

## Forecast for Sunday 1 November

Partly cloudy. The chance of fog in the early morning. High chance of showers. The chance of a thunderstorm from the late morning. Light winds becoming north to northwesterly 15 to 20 km/h in the morning then shifting easterly 15 to 25 km/h in the afternoon. Overnight temperatures falling to between 9 and 12 with daytime temperatures reaching the low to mid 20s.
