

TOP PRIORITY FOR IMMEDIATE BROADCAST

## Cancellation of Severe Thunderstorm Warning

For people in Mount Lofty Ranges, Mid North and Murraylands districts.

Issued at 8:34 am Tuesday, 2 June 2026.

Heavy rainfall has eased across parts of northern Adelaide.

Weather Situation: A trough is moving east across the region this morning.

This warning is now cancelled. A Severe Weather Warning is current for parts of South Australia. Please check <https://www.bom.gov.au/weather-and-climate/warnings-and-alerts/>.

37mm of rainfall has been recorded at South Para River (Warren Reservoir) in the 2 hours to 6:53am.

The State Emergency Service advises that people should:

- \* Keep clear of fallen power lines.
- \* Beware of fallen trees or debris on the road.
- \* Don't drive, ride or walk through flood water.
- \* Keep clear of creeks and storm drains.

Warnings are also available through TV and Radio broadcasts, the Bureau's website at [www.bom.gov.au](http://www.bom.gov.au) or call 1300 659 210. The Bureau and State Emergency Service would appreciate warnings being broadcast regularly.
