

TOP PRIORITY FOR IMMEDIATE BROADCAST

Severe Weather Warning for DAMAGING WINDS

For people in parts of Mount Lofty Ranges, Flinders, Mid North, Murraylands and North East Pastoral districts.

Issued at 10:48 am Tuesday, 2 June 2026.

Damaging wind gusts continuing for the Mount Lofty and Flinders Ranges today.

Weather Situation: Damaging westerly wind gusts are forecast to continue for the Mt Lofty and Flinders ranges during Tuesday, as a deep low continues to create a pressure squeeze as it moves over Tasmania.

For the MOUNT LOFTY and FLINDERS RANGES: DAMAGING WESTERLY WIND GUSTS with peak gusts of around 90 km/h are likely today, easing later this evening.

A separate warning for ABNORMALLY HIGH TIDES is also current for parts of the coast. For more details, refer to <https://www.bom.gov.au/weather-and-climate/warnings-and-alerts>

Locations which may be affected include Burra, Arkaroola and Peterborough.

Severe weather is no longer occurring in the West Coast district and the warning for this district is CANCELLED.

The State Emergency Service advises that people should:

- * Move vehicles under cover or away from trees;
- * Secure or put away loose items around your property.
- * Stay indoors, away from windows, while conditions are severe.

The next Severe Weather Warning will be issued by 5:00 pm ACST Tuesday.

Check <https://www.bom.gov.au/weather-and-climate/warnings-and-alerts>. Warnings are also available through TV and Radio broadcasts or call 1300 659 210. The Bureau and State Emergency Service would appreciate warnings being broadcast regularly.
