Australian Government Bureau of Meteorology

Final Flood Warning for the Bremer River

Issued at 8:38 am ACST on Tuesday 11 August 2026

Flood Warning Number: 3

FLOODING EASED ALONG THE BREMER RIVER

Minor flooding has now eased along the Bremer River. No significant rainfall is forecast over the catchment in the next few days.

Bremer River:

The Bremer River at Wanstead Rd is currently at 2.50 m and falling, below the minor flood level. The Bremer River at Wanstead Rd is expected to remain below the minor flood level (3.10 m).

The Bremer River at Langhorne Ck (Upstream) is currently at 3.99 m and falling, below the minor flood level. The Bremer River at Langhorne Ck (Upstream) is expected to remain below the minor flood level (4.80 m).

Safety Advice:

- Don't drive, walk, swim or play in floodwater because it is dangerous.
- Stay away from flooded drains, rivers, streams and waterways.
- Obey road closure signs. Plan ahead so you don't drive on flooded roads.
- Check the ABC and local media for updates. The situation can change quickly, so stay informed.
- For local emergency management warnings and advice visit www.ses.sa.gov.au/incidents-and-warnings/incidents-and-warnings-map/.

For emergency assistance call SES on telephone number 132 500. In life-threatening emergencies, call 000 (triple zero) immediately.

Next Issue:

This is a final warning. No further warnings will be issued for this event.
