

TOP PRIORITY FOR IMMEDIATE BROADCAST

Severe Weather Warning for DAMAGING WINDS

For people in parts of Lower South East district.

Issued at 4:40 pm Thursday, 2 July 2026.

Damaging winds over coastal parts of the Lower South East from this evening, easing Friday morning.

Weather Situation: Increased southwesterly flow is forecast from this evening as a low pressure system passes to the south of South Australia. Winds ease during Friday morning as the system weakens and moves away to the east.

DAMAGING WEST TO SOUTHWESTERLY WINDS averaging 50 to 65 km/h with peak gusts of around 90 km/h are likely over the Lower South East coast during this evening before easing during Friday morning.

Locations which may be affected include Robe and Millicent.

The State Emergency Service advises that people should:

- * Move vehicles under cover or away from trees;
- * Secure or put away loose items around your property.
- * Stay indoors, away from windows, while conditions are severe.

The next Severe Weather Warning will be issued by 11:00 pm ACST Thursday.
