Warning to Sheep Graziers for the Mount Lofty Ranges, Yorke Peninsula, Kangaroo Island and Lower South East forecast districts

Issued at 4:56 am CST on Thursday 2 July 2026.

Sheep graziers are warned that cold temperatures, rain and showers and strong westerly winds are expected during Thursday and Friday. Areas likely to be affected include the Mount Lofty Ranges forecast district and parts of the Yorke Peninsula, Kangaroo Island and Lower South East forecast districts. There is a risk of losses of lambs and sheep exposed to these conditions.

The Warning to Sheep Graziers for the Lower Eyre Peninsula and Flinders forecast districts has been cancelled.

The next warning will be issued by 11:00 am CST Thursday.
